<b>Home-buyer Education and Counseling</b>	One borrower on each HomeReady mortgage must meet the homeownership education requirement. There are now three ways for borrowers to meet the requirement: 1. Complete the Framework homeownership online course, which remains the default option for the HomeReady mortgage. (See Fannie Mae selling guide for information on situations where an online course may not be an appropriate option.) 2. For loans delivered with a Community Seconds® or down payment assistance, the borrower may meet the homeownership education requirement of the down payment assistance program, as long as it is provided by a HUD-approved counseling agency. 3. While counseling or "homeownership advising" is not required for the HomeReady mortgage, borrowers may meet the HomeReady requirement if they complete counseling and have a Certificate of Completion of Pre-Purchase Housing Counseling (Form 1017) completed by the provider.  See Selling Guide section B2-2-06, Homeownership Education and Housing Counseling, for further guidance. Note: Per Bulletin 2016-06 Fannie mae removed the requirement for homeownership education for limited cash-out refinance transactions and eliminated the requirement for landlord education for HomeReady loans secured by two-, three-, or four-unit properties (homeownership education is still required).

Documentation required only if DU determines non-borrower income will provide a benefit. Fannie Mae Form 1019 required, when applicable.</p> <p>The existence of income from a non-borrower household member may be considered as a compensating factor for loans underwritten through DU to allow for a higher DTI ratio. A "household member" is defined as any person who intends to live with the borrower in the subject property for a minimum of 12 months. An individual who is considered a non-borrower household member in accordance with these guidelines may not also be the contributor of rental income (two- to four-unit properties), accessory unit income (one-unit properties), or boarder income on the subject transaction.</p> <p>The income from the non-borrower household member is not added to the borrower's income for qualifying purposes; however, the existence of this income is considered a compensating factor that may allow the borrower to have a DTI ratio greater than 45% up to 50%. That income must be entered as Non-Borrower Household Income in the Other Income section of the DU online application. If the non-borrower income is needed as a compensating factor to allow a DTI ratio greater than 45% up to 50%, the following requirements apply:</p> <ul style="list-style-type: none"> <li>The non-borrower household income must be documented in accordance with Fannie Mae's standard documentation requirements applicable to the type of income reported.</li> <li>The amount of the non-borrower household income must be 30% or more of the total qualifying income used to underwrite the loan.</li> <li>The lender must obtain a written statement from the non-borrower that he or she intends to reside with the borrower in the subject property for a minimum of 12 months.</li> </ul> <p>Because the non-borrower's income is not being used for qualifying purposes, it is not considered when determining whether the mortgage loan meets the HomeReady income limit requirements. An optional form, HomeReady™ Non-Borrower Household Income Worksheet and Certification (Form 1019), can be used to assist lenders in documenting the non-borrower household income requirements and is available on Fannie Mae's website.</p>

Boarder Income Requirements: The rental payments that any borrower receives from one or more individuals who reside with the borrower (but who are not obligated on the mortgage debt and may or may not be related to the borrower) may be considered as acceptable stable income. This applies for a one-unit property in an amount up to 30% of the total gross income that is used to qualify the borrower for the mortgage if</p> <ul style="list-style-type: none"> <li>The individual(s) has lived with (and paid rent to) the borrower for the last 12 months.</li> <li>The boarder can provide appropriate documentation to demonstrate a history of shared residency (such as a copy of a driver's license, bill, or bank statement that shows the boarder's address as being the same as the borrower's address).</li> <li>The boarder can demonstrate the payment of rental payments* to the borrower for               <ul style="list-style-type: none"> <li>o the last 12 months, or</li> <li>o at least 9 of the most recent 12 months provided the rental income is averaged over a 12-month period.</li> </ul> </li> <li>CMG prefunding/prepurchase risk review is required for all HomeReady Mortgages using boarder income to qualify.</li> </ul> <p>*Payment must be via copies of cancelled checks or proof of direct bank transfers from tenant to borrower. Payment of rent by the boarder directly to a third party is not acceptable.</p> <p>Note: An individual who is considered a non-borrower household member in accordance with HomeReady guidelines may not also be the contributor of rental income (two- to four-unit properties), accessory unit income (one-unit properties), or boarder income on the subject transaction.</p>
	Self-employed Borrowers	<ul style="list-style-type: none"> <li>Corporate tax returns are required for the time period being considered in the income calculation for any borrower who is more than 25% owner of an LLC, 1120S or 1120 corporation.
