FREDDIE MAC PUBLISHES NEW VERSION OF OFFICIAL GUIDE

Summary: Freddie Mac announced the reorganized Single-Family Seller/Servicer Guide (Guide) that is now the official Guide version, as announced in Bulletin 2016-4.

The reorganized Guide does not introduce new requirements nor does it change existing requirements.

The following are some key reorganization impacts in the Selling Segment:

- Loan Prospector® requirements, formerly located in Section 2.2.1, are now located with other Borrower underwriting requirements in Topic 5100, Determining Borrower Eligibility.
- Tables, modeled on the Loan Prospector® Documentation Matrix, for certain income, asset and related documentation requirements:
  - Stable monthly income requirements and income documentation requirements, formerly located in Chapter 37, have moved into Topic 5300, Stable Monthly Income and Asset Qualification Sources
  - As set requirements (Borrower Funds and reserves), formerly located in Chapter 26, and asset documentation requirements, formerly located in Chapter 37, have been consolidated and moved into Topic 5500, Assets (Borrower Funds and Reserves)

Action to Take: Review Freddie Mac’s Bulletin 2016-4 for details on the reorganized Guide structure, including the numbering scheme and a description of the three segments that replace the two-volume Guide format. The Bulletin also identifies the key reorganization impacts and outdated requirements we deleted from the Guide.
