California Wildfires - Important Notice

Due to serious wildfires in California, CMG Financial will delay all purchasing in the affected areas until officials report that the fires are contained.

At this time, locks will be available for all loans, regardless of disaster status.

Loans will be reviewed by CMG Financial on an individual basis before purchasing. CMG Financial will need to ensure the subject property is not located anywhere near the wildfires.

The following counties have active fires as of 5/15/14 at 9:00am (PST):

- San Diego County
- Santa Barbara County
- Shasta County

Affected areas are subject to change at any time.

Standard Disaster Requirements are contained on the Quick Reference grid located on Seller Resources tab at www.cmgfi.com.
