CMG FINANCIAL CORRESPONDENT POLICY AND GUIDELINE UPDATES

Currently there are a number of wildfires in California and throughout the nation. The Governor of California has declared a State of Emergency for San Bernardino County and CMG has implemented the [CMG Disaster Policy](#) for San Bernardino County. Specifically, the California Blue Cut fire has burned several homes and threatens thousands of structures, including additional homes, necessitating the evacuation of thousands of residents.

Note: The designation of an area as a “disaster area” for the purpose of CMG’s Disaster Policy is made by CMG Corporate Credit and can be based on a federally or state declared disaster area (FEMA or state/federal agency), or through knowledge of a disaster as a result of news and media or personal contacts.
